

# CAMP SUMMIT EAST: THE CENTER FOR CREATIVITY AND EXPLORATION

**LOCATION:** NorthBay Adventures, North East, Maryland, Cecil County

**STUDENT AGES:** 9 - 14

**TYPE:** Residential

**DATES:** August 20 – 27

**TUITION:** \$1,575 for a one-week residential program. ALL meals & lodging provided.

**Camp Summit East: The Center for Creativity and Exploration** is being brought to the East coast in collaboration with the **Maryland State Department of Education's Summer Centers for Gifted and Talented Students** and **NorthBay Adventures**. It is a week-long overnight summer program designed specifically for gifted students ages 9 through 15. Created especially for developing the "inner and outer nature" of gifted youth. Camp Summit East offers stimulating and challenging activities combined with a staff uniquely qualified to nurture such a community located in a beautiful, picturesque setting.

**Camp Summit West** opened its first camp in June, 2010 in the Marin Headlands, in the heart of the San Francisco Bay Area just north of the Golden Gate Bridge on the California coast. At **Camp Summit West**, campers enjoy engaging activities such as LARP (Live Action Role Play), visual and creative arts, creative machines, outdoor ecology studies, strategy games, hands-on and self-exploring design projects and workshops, along with more typical "camp" activities such as hiking, beach and mountain adventures, storytelling, sing-

along by the campfire, capture the flag and other outdoor/indoor games.

**Camp Summit East: The Center for Creativity and Exploration**, is located on at the NorthBay Adventure facility in Cecil County, Maryland. It will feature, along with the usual activities, new adventures such as zip-lining, kayaking, swimming, astronomy, ropes courses, and much more. This center will also give participants the opportunity to do cutting-edge research on the upper-Chesapeake Bay ecosystem, collecting samples and data that will help scientists better understand and protect this important natural resource for future generations.

So what makes Camp Summit the annual highlight for our participants? Beyond a knowledgeable and experienced staff, breathtaking settings, and engaging activities, it is those 'forever' relationships that campers build with each other that make it unlike any other summer center or summer camp your gifted children have tried.

## NorthBay Adventures:

The state-of-the-art NorthBay facility also serves as a retreat center for groups both large and small. From small corporate retreats and weddings to large youth retreats NorthBay's location, facilities and staff combine to create the perfect setting for our guests.

From serving 4400 students in its first year of operation NorthBay's intensive five-day/four-night, school-year environmental education and character development program now serves over 10,000 public school students each year. Additional educational programs serve an additional 8000 students while over 14,000 retreat guests stay at NorthBay each year.
