

ACADEMY OF AGRICULTURE AND ENVIRONMENTAL SCIENCE

**CLEAR SPRING HIGH SCHOOL
MR. TIMOTHY ESKRIDGE, PRINCIPAL**

Program Description:

This Academy combines technical, academic, and work skills in an integrated curriculum to prepare students for entering the workforce or post-secondary education in the fields of environmental science and natural resources, plant or animal and veterinary sciences. As the largest industry in the state and nation, the agricultural sector is a highly competitive global industry creating new challenges in identifying global and domestic markets; improving business planning, financing, risk management, and productivity; and reducing costs providing great opportunity for students.

Fast Facts:

1. On-campus farm, barn and equipment for student research and projects
2. Within walking distance of Outdoor School forests and pond
3. College articulation in several Maryland institutes
4. Industry ties for internship opportunities in many sectors
5. Nationally recognized agricultural education and FFA program
