Arts: SCAPE Avenue A (Academic) Program Description:

Avenue A provides expanded opportunities to magnet students in the visual and performing arts, while incorporating best practices through arts integration (AI) throughout all content areas.

Avenue A (Academic) is designed for students who are **highly gifted** in English Language Arts and Creative Writing. These academically gifted students will be invited to apply following the current screening model. Advanced level coursework will utilize best practices from gifted education and arts integration (AI). **Avenue A** students complete summer assignments that their teachers will use to “frontload” content to allow magnet teachers to increase the depth of unit exploration throughout the school year.

Students invited to apply to Avenue A may also apply to Avenue B—the Creative Performing Arts Avenue. Dual applicants must also engage in the Avenue B audition process, in addition to completing the interview and task associated with the **Avenue A** application process.
